## NCV TERMS AND CONDITIONS:

By signing this document, the customer acknowledges that they have read the NCV Numismatic S.L. grading Terms and Conditions, hereinafter referred to as NCV, as detailed below, and agrees to comply with them. The customer also agrees that NCV has the right to rely on and benefit from this agreement.

1. NCV will exercise reasonable care in handling the cards and collectibles submitted for grading or regrading. However, if NCV determines that the customer's cards or collectibles were lost or damaged while in NCV's possession, the customer will be compensated based on the fair market value of the card or collectible as determined by NCV's standard procedures, which may include submitting a claim to our insurance company. The declared value indicated on the front of this form is for insurance coverage estimation purposes only, and the fair market value of the card or collectible may be lower than its declared value. IN NO EVENT SHALL TOTAL LIABILITY EXCEED THE DECLARED VALUE OF THE CARD OR COLLECTIBLE. NCV will not accept responsibility for items lost while not under NCV's custody or control.
2. Except as expressly set forth herein, NCV DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE GOODS AND SERVICES RELATING TO NCV CARDS OR COLLECTIBLES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
3. Notwithstanding any provision to the contrary contained herein, except with respect to remedies under NCV's card and collectible grade and authenticity guarantee set forth at [www.ncvgrading.com](http://www.ncvgrading.com) and as stated in paragraph 4 above regarding loss or damage to a card or collectible while in NCV's possession, THE MAXIMUM TOTAL LIABILITY THAT NCV SHALL HAVE TO THE CUSTOMER OR ANY THIRD PARTY FOR WHOM THE CUSTOMER MAY BE ACTING, ARISING FROM ANY CAUSE, ACT, OMISSION, OR OTHERWISE, SHALL UNDER NO CIRCUMSTANCES EXCEED THE GRADING FEE OR THE AMOUNT ACTUALLY PAID BY THE CUSTOMER FOR THE GRADING SERVICES PROVIDED BY NCV with respect to the cards or collectibles submitted for grading. IN NO EVENT SHALL NCV OR ANY OF ITS AFFILIATES, OR ANY OF THEIR RESPECTIVE EMPLOYEES, OFFICERS, DIRECTORS, OR AGENTS, BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
4. Please note that all terms and conditions are subject to change. Turnaround times do not include shipping time and reflect business days only.
5. In the ordinary course of its grading operations, NCV collects data regarding each card or collectible submitted for grading, including, without limitation, data related to identity, printing, condition, and grade (the "Data"); and may take, or have taken, one or more photographs, images, or other digital or physical reproductions of each such card or collectible. In consideration for the grading services provided by NCV, the Customer, on their own behalf and on behalf of any third party represented by the customer, authorizes NCV to store and maintain such Data with respect to each card or collectible submitted for grading; and to take, or cause to be taken, one or more images of each such card or collectible. The Customer further agrees that NCV shall be the owner of such Data and all such Images, and that NCV may use and exploit such Data and Images for commercial or other purposes as NCV, in its sole discretion, deems appropriate, including, without limitation, publication, republication, or reproduction in any media. Without limiting the foregoing, the Customer, on behalf of themselves and any third party for whom the Customer may be acting, unconditionally and irrevocably transfers, conveys, and assigns to NCV all present and future right, title, and interest (including, without limitation, copyrights, patents, trade secrets, and trademarks) that the Customer or any third party may have in the Data and Images (in any medium or form) that may be reproduced or published.
6. If cards or collectibles are submitted on behalf of a third party, the Customer represents and warrants that such third party has agreed to and accepted this agreement and has signed a duplicate copy thereof. The Customer agrees to provide such signed copy to NCV upon request at any time.
7. NCV will make reasonable efforts to grade cards or collectibles within the timeframe stated on its website and selected by the Customer. However, NCV shall have no liability to the Customer for damages due to NCV's failure to grade within the estimated timeframe described on its website.
8. Condition grading involves subjective judgments and the exercise of professional opinion based on NCV's internal grading protocols. Accordingly, NCV makes no warranty or representation and shall have no liability to the Customer for the grade assigned to any card or collectible except in accordance with NCV's grading guarantee resubmission policy as set forth on NCV's website at [www.ncvgrading.com](http://www.ncvgrading.com), which the Customer acknowledges having read and accepted by signing this agreement.
9. NCV will not grade cards or collectibles whose originality is questionable. If NCV rejects any card or collectible for grading in accordance with NCV's grading procedures and standards, NCV will not refund the fee paid by the Customer. The Customer represents and warrants that they have no knowledge or reasonable basis to believe that any item submitted for grading has been altered or tampered with in any way. The Customer warrants that all information provided in the submission is accurate and reliable and agrees to promptly correct and update such information if it is discovered to be inaccurate.
10. The Customer agrees to pay NCV all fees and other charges when due; that all fees exclude local taxes; that any past-due balance shall accrue interest at a rate of 10% per annum until paid (or, if lower, the maximum rate permitted by applicable law); and that NCV shall have a security interest in the cards or collectibles submitted, as well as in any other property of the Customer in the possession of NCV or its affiliates, to secure payment thereof. Fees paid to NCV ARE NON-REFUNDABLE once the item begins the grading process. The Customer hereby grants NCV a lien and right of retention over the property for the amount of any fees and other charges due and payable under this agreement. The Customer authorizes NCV to file, at any time after such fees and charges become due, appropriate Uniform Commercial Code financing statements in such jurisdictions and offices as NCV deems necessary in connection with perfecting a security interest in the property. If NCV determines, in its sole discretion, that the declared value has been understated relative to the market value of the item, or that the submission form has been completed incorrectly or incompletely, NCV reserves the right to adjust NCV's grading fees (including shipping or handling fees) accordingly. The Customer acknowledges and agrees that NCV may adjust/increase any fee as necessary without explicit notice.
11. NCV shall have no liability to the Customer, or any third party for whom the Customer may be acting, for any personal injury or for any damage to any card or collectible, or otherwise, that the Customer cannot demonstrate was primarily attributable to an act or omission of NCV while the card or collectible was in its possession and control. Under no circumstances shall NCV be liable for any indirect or consequential loss of profits or other economic loss suffered by the Customer, regardless of cause, resulting from negligence, breach of contract, misrepresentation, or otherwise.
12. This agreement is delivered and accepted in the city of Valencia (Spain), and it is the intention of the parties that it shall be governed by and construed in accordance with the laws of that city, without regard to conflict-of-law principles. The parties hereby submit to the personal jurisdiction of the courts of Valencia (Spain) with respect to any legal action to enforce the terms and conditions of this agreement or otherwise arising under or in connection with this agreement, and agree that the courts of Valencia (Spain) shall be the exclusive forum for such actions. Both the Customer and NCV agree that the prevailing party shall be entitled to recover reasonable attorneys' fees, costs, and expenses.
13. The Customer must inspect all cards or collectibles immediately upon receipt, and NCV disclaims any liability for damage, discrepancies, or errors, including, without limitation, errors in the description of a card or collectible, unless NCV is notified within five (5) days of the Customer's receipt. The Customer agrees to return any incorrectly described card or collectible to NCV upon request for correction and agrees to indemnify and hold NCV harmless from any and all losses and/or claims caused by the circulation or sale of any incorrectly described card or collectible. Failure to report such errors may result in suspension or removal from NCV's customer database or authorized dealer network. NCV shall not be responsible for any direct loss or damage suffered by the Customer, regardless of cause, that results from negligence, breach of terms, or that exceeds the price of the services.
14. The terms and provisions of this agreement constitute the entire agreement between NCV and the Customer (and any third party for whom the Customer may be acting) with respect to all prior agreements and understandings, whether written or oral, and supersede them. If any term or provision of this agreement is determined by a final, non-appealable decision of a court of competent jurisdiction to be invalid or unenforceable under applicable law, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms. Each party shall execute and deliver such additional documents and instruments as may be requested to better evidence or effectuate the agreements contained herein, including the assignment of rights set forth in Section 11 and related procedures, and further agrees that NCV has the right to rely upon and benefit from such terms and procedures.

## NCV SHIPPING GUIDE:

1. Basic information: Provide the customer name and customer number. If you do not have one, it will be provided by NCV.
2. Return shipping address (required): Provide your return shipping address and contact details (name, address, city, state, postal code, phone number, and email).
3. Service level: Select only one service level per form. The service level is based on the declared value per listed item. Individual declared values may not exceed the maximum value for the selected service level. Please note the minimum requirements and restrictions for each service level.
  - All samples, trials, errors, and small commercial (private) issues must be submitted under the Special Issues service level; consult NCV in this case.
  - A minimum of 25 cards or collectibles is required for the LINCERATE.
  - A minimum of 50 cards or collectibles is required for the PREMIUM rate.
  - GUARANTEE PREMIUM: The value of the card or collectible is determined by the market value for that grade or the declared value. NCV reserves the right to make the final determination of the value of the card or collectible.
4. Type of service: Select one service type from the list below (one selection per form is permitted):
  - STANDARD: For submissions of up to 24 cards or collectibles.
  - LINCERATE: For submissions of 25 to 49 cards or collectibles. Cards or collectibles submitted under the regrading service will be removed from their holder and regraded. The STANDARD fee will apply whether or not the card or collectible is upgraded. If the grade is lowered, NCV's card and collectible guarantee terms will apply. For full information on NCV's guarantee, visit [www.ncvgrading.com](http://www.ncvgrading.com).
  - ENCAPSULATION: For a card or collectible previously graded (currently encapsulated) by any other grading service. NCV will encapsulate and grade according to its grading criteria. Grading fees will apply whether or not the card or collectible receives a grade. Cards or collectibles currently encapsulated by other grading services may have issues that are not discovered until removed from their current holders. Therefore, NCV cannot guarantee that a card or collectible submitted encapsulated by another service will not lose grade upon removal due to issues not previously observed. By submitting a card or collectible to NCV's grading service, the submitter agrees that NCV is not responsible for changes in grade, attribution, or authenticity as determined by NCV's experts.
  - GUARANTEE RESUBMISSION: If you have an NCV-graded card or collectible that you believe is overgraded, misattributed, or counterfeit, submit it to NCV. If the grade is reduced, NCV's guarantee terms will apply and all fees and charges related to the guarantee resubmission will be refunded.
